Ref. No.-DPMS/Amphan Relief Fund / 2020

Date..26th May.2020...

## AN APPEAL

The most powerful cyclonic storm named Amphan hit the Sundarban on the 28 May 2020 with a wind speed of 180 kmph. Throughout the day and night accompanied by a heavy rainfall, killing at least 50 villagers, injuring thousands of homeless people, flooding almost all the blocks of the island, uprooting big trees and plants, destructing a huge number of thatched huts, mud houses, asbestos sheets or tally covered buildings, washing away agricultural crops, vegetables, devastating electric posts and wires, damaging bridges and jetty ghats, breaking river and coastal embankments of nearly 20,000 km, leaving countless number of birds, animals, cattles, fishes, dead and thus disbalancing the flora and fauna of the world heritage delta. There is no electricity, drinking water, food and shelter for the thousands of villagers. Most of them are living under the open sky. These poor & helpless victims desperately need tarpaulins, medicines, doctors, food and drinking water. We are trying our level best to reach to them with the help of you or your organisation. We are going to start the community kitchens in different villages severely affected by the super cyclone in association with the Mukti. That's really a drop of water in an ocean. But together we can do a lot of works for the worst affected people of the areas of Nalua, Krishnachandrapur, Lalpur, Nagendrapur, Konkondighi, Kuemuri GPs under Mathurapur, Raidighi, Patharpratima Police Stations under Sundarban Police District. If you wish you can contact us on mobile number- 8001679368 and assist with the cash or kind. We have a charitable and well reputable organisation duly set up by the retired teachers of our Krishnachandrapur High School under Mathurapur 1 Block having 80G facility for income tax relief. The details of the bank account are given below:-

Name of the account:- Dr Prabhat Memorial Society
