# SANKAR HALDER

Founder & President- MUKTI

## ABOUT ME

Born and brought up in a financially challenged family of Sundarbans. Completed his Master's in Computer Application from Jadavpur University, Kolkata by taking monetary assistance from a great sponsor. When he wanted to give back, the Sponsor motivated him to pay back to the society & make the chain longer & more sustainable. A U-Turn on his life started since then.

## PROFESSIONAL LIFE

He is a senior software professional working in MNC for the last 20 years. He worked in 6 different countries including USA, Australia, and Germany. He is passionate about technology and currently working as a Lead Technology Officer for upcoming technologies.

## FOUNDING MUKTI

Founded Mukti in 2003 at Sundarbans with few young energetic persons. He established Mukti in many counties wherever he visited by motivating people from the respective locals. The Organization is functional in Australia, Shanghai, USA, and India with 200+ part time and Fulltime employees and 600+ volunteers. He is a social architect who designed innovative solutions for many problems and implemented them through Mukti. All these program can be glanced at our website [www.muktiweb.org](http://www.muktiweb.org). Visionary Sankar is motivating many professionals to work for the betterment of the society.

## AWARDS & ACCOLADES
