Sub: Heartful Thanks for Your Support
and Update on my progress
Respected Madam,

I am Biswajit Debnath, a student under
'Mukti' TSS Program. I have admitted to MSc. in
'Nuclear Medicine Technology' at BARC, Mumbai.

I sincerely thank you for your generous
support in my education journey. I am truly grateful
for your kindness.

I am pleased to inform you that I no
longer require financial assistance as our institution
'BARC, Mumbai' will cover our hostel and meals
expenses. I would like to give another deserving
student the opportunity to benefit from your support.

Thanks you once again for everything.

Best regards
Biswajit Debnath
