Sub: Dana Cyclone Damage Assessment and Response Planning

Dear All,

Here's a high-level assessment and response plan addressing the damage caused by Cyclone Dana in the Sundarbans and East Midnapore of West Bengal, as well as Kendrapara and Bhadrak in Odisha. Mukti volunteers are in contact with local communities and have initiated an immediate response.

Odisha (Mostly Impacted)

Districts	Block	No GP	Household Impacted	Impact (damaged)
Kendrapara	Rajkanika	4	12000	80% of agricultural land affected, 10% of houses fully or partially damaged, 7% of cattle impacted, 15% of trees uprooted, 12% of other infrastructure (including boats, farms, and schools) affected, and 20% of drinking water pumps damaged.
	Rajnagar	14	42000	
Bhadrak	Basudevpur	11	33000	
	Chandabali	15	45000	
2	4	44	132000	

Response and Recovery Plan in Odisha

No of Families	Per family	Amount Needed	Support Plan
13200	₹1,000	₹1,32,00,000	Tarpaulin, ration kits, hygiene support for women and children, baby food, utensils, seed support for farmers, and labor assistance for rebuilding infrastructure.

West Bengal (Light Impacted)

Districts	Block	No GP	Household Impacted	Impact (damaged)
East Midnapore	2	6	9000	40% of agricultural land has been impacted, with paddy fields severely affected just before harvesting. Winter vegetable gardens, which were about to begin production, have also been badly damaged.
West Midnapore	2	4	6000	
Sundarban	11	44	66000	
3	15	54	81000	

Response and Recovery Plan in West Bengal

No of Families	Per family	Amount Needed	Support Plan
25000	₹700	₹1,75,00,000	Seed support for winter vegetable farming, kitchen gardens, and Boro paddy seeds, among others.

- ⇒ **Ration Kit:** Each unit, containing rice, dal, oil, soap, biscuits, soybean, salt, and puffed rice, costs Rs 500. These kits will support community kitchens for one to four weeks, depending on the impact and situation.
- ⇒ **Baby Food and Hygiene Kit:** Each unit, containing milk powder, biscuits, soap, and Dettol, will be distributed at a cost of Rs 500.
- ⇒ **Education Material:** Support will be provided to students who lost their books and stationery at a cost of Rs 700.
- ⇒ **Tarpaulin Support:** One unit per family, costing Rs 1,000, will be provided as temporary support for families with partially or fully damaged houses.
- ⇒ **Vegetable Seed Support:** Each unit, containing 2-5 types of seeds, will be given to affected farmers at a cost of Rs 500, particularly those practicing climate-resilient or organic farming.
- ⇒ **Rebuilding Infrastructure:** Support for labor costs for rebuilding homes and common infrastructure will be provided on a case-by-case basis to restore normalcy.

I urge concerned individuals, philanthropic organizations, and CSR teams to join us in our disaster recovery efforts and help restore normalcy to our community.
